## Functions conditions-18th/21st's

We would like your function to go smoothly and be memorable for all the right reasons

Room hire \$150  
Crowd controller fee \$150

Last drinks are called at midnight but management reserves the right to close the function early  
This will be in liaison with the designated parent if there are ongoing issues  
Your contact person for the night will be the hotel duty manager and we will let you know their name prior to the function

A designated parent needs to stay on site for the duration of the function

Underage people are allowed to be at the function until 12 midnight only

Any underage people suspected of having consumed alcohol prior to attending will not be allowed entry and will be asked to leave. Underage people consuming alcohol on premise will be asked to leave

Only people 18 and over will be served alcohol and a wristband system may be used. Responsible service of alcohol is encouraged

No takeaway/off premise alcohol is to be consumed on premise

You are welcome to bring your own chips/nuts but all other food is to be purchased from the hotel. You are welcome to add your own decorations but we ask that only blue tack is used on the walls

Due to the room capacity the maximum number to be invited is 150 people

We may ask for a guest list to ensure only invited guests attend

We use a licensed crowd controller who reports to the duty manager
